Truth standards

- Phone numbers appear only when captured from an official source in public search during research, with the source URL and date. Otherwise PHONE NOT PUBLICLY AVAILABLE. Nothing is guessed; personal mobiles are never recorded.
- Emails appear only when published on official pages. Otherwise NOT PUBLICLY AVAILABLE.
- Decision makers are named only in their public roles; entries marked "confirm on team page" must be checked before use.
- Last Verified shows 2026-09-07 for fields checked in this build, otherwise "Unverified (prior knowledge)". Re-verify any record before outreach; funds change teams and mandates.

Maintenance

Edit `investors/raw/*.csv` (or add a new CSV with the same headers), then run `python3 investors/build_crm.py` to regenerate the CRM, Top 25, call lists, outreach scripts and dashboard.
