VERSION

1.0 · Confidential draft

For the person who will sign. Send it within five working days of the call, and fill in every bracket first.

From: Vytalix · [Founder name] · [email] · [phone]

To: [Client contact name], [Job title], [Client organisation]

Date: [Date] · **Valid until:** [Date, 30 days later] · **Reference:** [VTX-2026-000]

1. What you told us

You said this, in your words, on [date of the call]:

- [Their problem, one sentence, as they said it]
- [What has already been tried]
- [What is forcing this now: a deadline, an inspection, a board paper, a funding round]
- [What a good outcome looks like to them]

If we have any of that wrong, tell us before you sign. We will change it.

2. What we will do

We will [one plain sentence saying the job].

Stage	What happens	How long
1. Understand	[Interviews with about [n] people, reading your documents, a look at your data]	[n] days
2. Decide	[Options set out with costs, a working session with you to choose one]	[n] days
3. Write it down	[The plan, the case or the report, plus a session to walk your team through it]	[n] days

We will not do: [say plainly what is outside the job, so nobody is surprised]. If you want any of that, we will quote separately.

3. What you get

#	What you receive	Format	How you know it is right
1	[Named document]	[Written report or slides]	[The test it must pass, e.g. "your board can approve a budget from it"]
2	[Named document]	[Spreadsheet, template]	[The test it must pass]
3	[Session with your team]	[90 minutes, on site or online]	[Everyone can say what happens next]

Everything is yours to keep and reuse once the final invoice is paid.

4. When

Date	What
[Date]	You sign and we invoice the first amount

Date	What
[Date]	Start meeting, we get names and access
[Date]	Interviews finish
[Date]	Working session where you choose the option
[Date]	Draft to you
[Date]	Your comments back to us
[Date]	Final version and closing session

The dates hold if we get access to people and documents on time. If they slip, we move the end date by the same number of days and tell you straight away.

5. Who does it

Person	Role here	Days on this job
[Founder name]	Leads and does the work	[n]
[Associate name, only if already agreed]	[What they do]	[n]

We name an associate only when they have agreed to the job. Nobody else works on this without telling you first.

6. What it costs

Option	What it covers	Price (fixed)
A [Recommended]	[Full scope as above]	£[amount]
B	[A smaller version, if budget is tight]	£[amount]
C	[The add-on, if they want more]	£[amount]

- Price excludes VAT. Travel is charged at cost and agreed with you first.
- Under £20,000: half on signing, half on finishing.
- Over £20,000: 40% on signing, 30% at the midpoint, 30% on finishing.
- Payment within [30] days of invoice.
- If you stop the work part-way, you pay for the days done and nothing more.

7. What we assume

If any of these turns out to be wrong, the price or the dates may change. We will tell you before doing anything about it.

1. You give us a named contact who can make decisions.
2. We get [n] interviews arranged within [n] working days of starting.
3. We get the documents and data listed in [appendix / email of (date)].
4. No patient-identifiable data is shared with us. If that changes, we agree a separate data agreement first.
5. Your team is available for [the working session / the closing session] on the agreed dates.

6. [Anything specific to this client]

8. Terms

- Signing this proposal makes it a work order under our standard services agreement, attached as [reference].
- **Who owns what:** we keep our own methods and templates. You own the documents we produce once you have paid in full.
- **Confidentiality:** both ways, for three years after the work ends.
- **Personal data:** UK GDPR (the UK's data protection law) applies. No patient data is handled under this work unless separately agreed in writing.
- **Liability:** limited to the fees paid under this work order, except where the law does not allow a limit.
- **Insurance:** professional indemnity £[amount] and public liability £[amount], in place from [date].
- **Naming each other:** neither of us names the other publicly without written permission.
- **Ending it:** either side can stop with 30 days' written notice. Work already done is payable.
- **Law:** England and Wales.
- **Our other interest, declared:** Vytalix is developing MaternaLink, a maternity coordination product, in development and not for sale. If this job touches maternity digital tools, our advice is given independently of that, and you can ask us anything about it.
